

# Shandong Tongli Chemical Co.,Ltd

## Shandong Tongli Chemical Co., Ltd PAM Technical Specification and Application

| Model         | Molecular (million) | Charge Density(%) | Application Area   |
|---------------|---------------------|-------------------|--|
| <b>A9793</b>  | 1700-1900           | Medium            | Coal washing, mining separation, industrial wastewater treatment     |
| <b>9698A</b>  | 2300-2500           | Medium/high       | Coal washing, mining separation, industrial wastewater treatment     |
| <b>9698C</b>  | 2500-3000           | High              | Joss powder; Fluorite mine water treatment                           |
| <b>3332</b>   | 2300-2500           | Medium            | EOR  |
| <b>3337</b>   | 1600-1900           | Medium/High       | EOR  |
| <b>PLUS</b>   | 300-500             | Medium            | Drilling fluid   |
| <b>PLH</b>    | 300-500             | Medium            | Drilling fluid   |
| <b>KPAM</b>   | 2300-2500           | Medium/High       | Drilling,EOR   |
| <b>B-2000</b> | 1600-1900           | Medium            | Drilling   |
| <b>D-2500</b> | 2200-2600           | Medium            | Drilling   |
| <b>7136</b>   | 800-1000            | Low               | Coal washing, mining separation, oil field profile controlling       |
| <b>7216</b>   | 800-1000            | Very low          | Coal washing, mining separation, oil field profile controlling       |
| <b>6605</b>   | 600-800             | 5                 | Paper making wastewater treatment , industrial wastewater treatment; |
| <b>6610</b>   | 700-900             | 10                | Paper making wastewater treatment , industrial wastewater treatment; |
| <b>6615</b>   | 800-1000            | 15                | Industrial organic wastewater treatment                              |

Address: Tangshan Town, Huantai Country,Zibo  
City, Shandong Province,China 256401

## Shandong Tongli Chemical Co.,Ltd

|             |          |    |   |
|-------------|----------|----|---|
| <b>6620</b> | 800-1000 | 20 | Industrial organic wastewater treatment; urban sewage treatment |
| <b>6630</b> | 800-1000 | 30 | Industrial organic wastewater treatment; urban sewage treatment |
| <b>6640</b> | 800-1000 | 40 | Industrial organic wastewater treatment; urban sewage treatment |
| <b>6650</b> | 800-1000 | 50 | Industrial organic wastewater treatment; urban sewage treatment |
| <b>6660</b> | 800-1000 | 60 | Industrial organic wastewater treatment; urban sewage treatment |

Delivery time: within 7 workdays from the PO date.

Package: 25kg per kraft bag, 40 bags on a pallet twined with plastic film.

Inner packed by plastic bag, outer by kraft bag
